FINANCIAL AND COMMERCIAL

MARKET WAS ERRATIC.
Heavy Offerings Caused Losses of One to Three Points.

New York, Jan. 14.—Stocks followed their recent erratic course today, advancing and receding within a circumscribed area until the final hour, when moderately heavy offerings effected losses of one to three points. There was little in developments over the world and in general speculative confidence, a condition which the short interest did not wholly ignore. Railroad earnings were again disappointing and the demoralized transportation arising from the freight jam is certain to find further reflection in returns for December and the current month. Wall Street believes control of the transportation companies will rest with congress and impending legislation is expected to bring that situation more prominently into the foreground. Edgemoor and Ohio directors are scheduled to meet this week on the deferred semi-annual dividends. Their course in this connection may serve as a precedent for other roads whose dividends are hanging in the balance. Industrial continued to labor under the serious disadvantages imposed by railway congestion, coupled with shortage of labor and fuel. Leaders were won by today's prospects to this view, the serious situation, recording net losses of one to two points. Shipments and minor specialties, for instance, of two thirds to three parts, motors also reacting sharply on news of a cut in the dividend of Willys Overland. Sales amounted to \$18,000 shares. However, features on smaller dealings. Liberty 3 1/2's sold at 95.58 to 95.50, first 4's at 97.90 to 97.20 and second 4's at 96.60 to 95.50. Total sales, par value, \$4,275,000. U. S. bonds, old issues, unchanged on call.

WEEGHMAN ANGLING FOR LARRY LAJOIE.

Wants Him to Play First Base and as a Pinch Hitter.

Chicago, Jan. 14.—Charles H. Weeghman, president of the Chicago Nationals, said tonight he had opened negotiations to sign Larry Lajoie, the former American League star, who managed the Toronto club, pennant winner of the International League, last season. He wants him to play first base part of the season and plans to use him as a pinch hitter.

MAJOR LEAGUE SCHEDULE MEETING CALLED OFF.

Owing to Crippled Railroad Conditions New Date and Place to Be Selected.

Chicago, Jan. 14.—Owing to crippled transportation conditions, President B. R. Johnson of the American League announced tonight that the major league schedule meeting set for Dover Hall, Ga., this week had been called off. He requested Barney Dreyfuss, president of the Pittsburgh club, and one of the National League representatives on the schedule meeting, to select a new date and place for the meeting.

Buffalo Club Bankrupt.

Buffalo, N. Y., Jan. 14.—Involuntary proceedings were begun today in the United States district court to have the Buffalo baseball amusement company (International League) declared bankrupt. The petition presented to Judge John R. Hazel is by three creditors, J. J. Lannin, McDonald and Hoe Company, Inc. of Buffalo, and Rand McNally and Company of Chicago.

The petition states that the local baseball company is insolvent and that the petitioners are informed and believe it owes upwards of \$40,000. Twelve claims are set forth. Mr. Lannin for sums advanced to the Buffalo club said to have been principally to pay rentals and salaries of players.

LEONARD MAY MEET A BETTER MAN.

Champion Has Some Good Men to Meet and May Come a Cropper.

Although Benny Leonard is conceded to have a strangle hold on the lightweight title, there are at least three men any one of which would draw well if matched with him. Patsy Cline put up a great fight with Leonard for a few rounds when they met in Philadelphia a few months back. In the third round Cline connected with a right to the jaw, and for a Leonard was up in the air and seemed to be in some danger of being put down the same way. Since that, however, Leonard steadied himself, and at the end of the sixth round there was no fight left in Cline. Still, Cline made such a good showing that another match between the men would be a great drawing card.

Johnny Dundee has every right to a match for the title on the strength of his past performances with Leonard. In their first match Dundee won by a rather easy winner, in the second Leonard gained so slight an advantage that it was hardly worth boasting about, and their third and last contest was the same way. Since their last battle Leonard has improved a great deal, while Dundee probably has slipped a bit, so that another meeting would be a rather one-sided affair, but that remains to be seen, and in the meantime Dundee's claims for consideration cannot be overlooked.

Joe Wellington is another lightweight contender much for the title. Wellington has not done anything very startling, but he is a good boxer and a hard hitter. If he were more aggressive his chances of accomplishing something would be better. The latter would look more bright. The latter is a rather too shifty on his feet for an opponent who stands flat footed and relies on countering as Wellington does. For the same reason, Charlie White does not loom up as a very dangerous opponent for Leonard, in spite of the Chicago thumper's forceful hook.

Moran a Wisacre.

Pat Moran, manager of the Phillies, knew what he was about when he traded Paskert for Fred Williams of the Cubs, as in "Cy" he obtained a player who was able to tag Grover Cleveland Alexander, who was selling prices for seven straight hits last year.

Williams, who comes from the same place as C. C. Crandall, one of the Giants (Warren, Ind.) made his seven safeties in a row off Aleck in the games of July 13 and Aug. 3, five being singles, one being a double and one being a triple.

Only one of the hits was off the infield persuasion, the rest whistled to right. Consecutive single No. 4 procured in the final inning of the controversy of August 3, drove in Leslie McLean and was the deciding blow of the game, as "Shuffling Phil" Douglas, Alexander's shifting vis-a-vis hurler shutout right.

In his 18 times at bat against Alexander in 1917 Williams grounded out three times, reached first on an error once, struck out five times and made seven singles, one double and one triple for a batting percentage of .350.

They Blame Griffith.

New York is blaming Clark Griffith for ruining the Yankee's chances in 1918. "Clark Griffith, who can do mighty little toward building up a team, the American League by strengthening his wabbling Senators," says one writer, "had to go and sum up the cards when he homered into the St. Louis situation and took Shotton and Lavan for Gallia and \$15,000. Clu Rupert was just about to obtain Pratt and Lavan when that tactical error was made by the gray-haired Washington manager."

One on the Announcer.

The Federal league has been but a memory for two years, but little stories which grew out of its existence are still in circulation. Joe Tinker tells one about the announcer at the St. Louis park who watched the crowds dwindle away from day to day with much concern. Finally conditions at that particular park became so bad

WOMEN SUFFERERS MAY NEED SWAMP-ROOT

Thousands upon thousands of women have kidney and bladder trouble and never suspect it. Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased. Pain in the back, headache, loss of ambition, nervousness, are often times symptoms of kidney trouble.

Don't delay starting treatment. Dr. Kilmer's Swamp-Root, a physician's prescription, obtained at any drug store, may be just the remedy needed to overcome such conditions.

Get a medium or large size bottle immediately from any drug store. However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the Norwich Daily Bulletin.
